E2-20061	1072	Message	rump ahead	2	Point Forwards	1072	2024-06-20 20-56-30		Maliketh's Set			Behind the donkey, the gesture makes it look like the character emote is putting their arm into the donkey's... butt? I don't know what the right balance of academic phrasing is here.
E2-20062	1057	Message	be wary of pickle,/try head	2	Dejection	1057-2	2024-06-20 20-56-30	Gargoyle's Greatsword	Raging Wolf set			A message that was present on a previous day

E2-21061	1084	Message	still no sleep...	36		1084	2024-06-21 21-23-06			Near the site of grace.		Sleeping' i.e. resting at this grace is required to trigger a cutscene - which always happens at night, I think. This area also has unique sounds at night.
E2-21061	1085	Message	why is it always fingers?/but hole!	21	Point Forwards	1085	2024-06-21 21-23-06		Prophet blindfold maybe?	Near Ranni's meeting spot		This is directly in front of Ranni's spot, pointing directly at her, obviously innuendo.

E2-22061	1092	Message	seek night	20		1092	2024-06-22 20-57-52			Between where Ranni spawns and the Site of Grace.		
E2-22061	1093	Message	why is it always dragon?	0		1093	2024-06-22 20-57-52			On top of a pillar above Kale.		Players may have met a dragon early on in the game if they took a different route from the start, before reaching Elleh. Even so, it's an odd place for this message.
E2-22061	1094	Message	if only I had a horse...	22		1094	2024-06-22 20-57-52			Next to Kale's donkey.		Intentional irony here, most likely, because this is just before the player obtains Torrent.
E2-22061	1095	Message	praise the something!	12		1095	2024-06-22 20-57-52			On top of a pillar opposite Kale.

E2-22062	1096	Message	safety ahead/in short visions of healing...	59	Crossed Legs	1096	2024-06-22 20-57-52		Godrick Knight set I think	At the entrance to Elleh, as approached from the game start.		Elleh contains the first Grace site you encounter after entering the overworld. However, note that the player is wearing endgame equipment and so is likely NG+.
E2-22062	1097	Message	grass required ahead	3	Point Forwards	1097	2024-06-22 20-57-52	Fingerprint Stone Shield	Radahn's helmet?			Not sure what the reference is to here. Grass could be weed, but there's nothing particularly special here (Grace Sites aren't even bonfires). Kale and the merchants do often smoke pipes, but it's not standout.

E2-06071	1152	Blood Stain				1152	2024-07-06 23-01-51		Looks like Samurai armour?	Positioned between Kale and the donkey.		Riding on Torrent, feels likely that they are fighting Kale especially given the location of the bloodstain, but it's possible not.

It doesn't match any shields or weapons I can see though.	Zamor Set armour, possibly Bandit mask?			In the DLC Miquella, a demigod, is revered/hated as a religious figure, and you meet several people who follow Miquella as the leader of their faith.

MG2-30061	6046	Blood Stain				6046	2024-06-30 10-44-29	Wielding claws of some kind.	Winged helmet?	Near Miquella's Cross.		Appears to be fighting someone. There aren't a lot of enemies in this area though, especially not dangerous ones.
MG2-30061	6047	Blood Stain				6047	2024-06-30 10-44-29			Near the Site of Grace.		Appears to eat something, just like 6045, and then instantly die. They aren't dressed the same as 6045, but it is very strange to have only seen this in this site.
MG2-06071	6048	Blood Stain				6048	2024-07-06 23-32-57	A great spear of some kind.		Far side of the site, nearer the steps leading up.		Fighting very dramatically with weapon arts. Dies of madness. Felt like an invader/pvp fight to me.
